## Kimball Boys and Girls Basketball "Shooting Stars" Club

(for girls and boys basketball players grades K-6)

How to become a member of the "Shooting Stars" Club:

The best basketball players are made in the offseason! This Club is designed to help you track your time and monitor your achievements.

Making a commitment is the first step in improving your game. These guidelines and calendar (reverse side) will help you track your time and lay out the foundation for you to accomplish your goals.

To become a member you will need to reach 100 hours of offseason commitment between May 1st and October 31st.

## **Qualifying Hours:**

Attending a summer basketball camp = 15 hours

Playing in a team tournament or summer league = 15 hours

Watching & listening to a basketball game either at a game or on TV = 5 hours

(you can learn a lot by watching the game and listening to the announcers) (Limit 15)

Any time spent practicing anywhere! At home, at open gym, at a friends house, playing basketball, practicing dribbling, shooting, working on your fundamentals. For every hour spent practicing or playing basketball you get 1 hour towards your total. (even if it's 15 minutes at a time)

Reach 100 hours and you have met your goal and become a member!

## Anyone who reaches 100 hours will receive a free "Shooting Stars" T- Shirt!

Use the calendar to track your hours per day and then total your hours at the end of each month. Total your monthly hours to come up with your total hours.
